BASEBALL REGISTRATION INFORMATION – 2022/2023 SEASON

Dear Member,

Welcome to the 2022/2023 Baseball Season.

Once again players are required to use the Baseball Australia online registration portal to pay registration fees this season.

All GGCD RENEWING members who played in either 2019/20, 2020/21 or 2021/22 must click on RENEW to register.

All players who participated in 2019/20, 2020/21 or 2021/22 with another club must do the online transfer first by following these steps below:

- 1. RENEW their registration with their OLD Club by choosing the Payment Class TRANSFER REQUESTED. At the time of renewal, note down your Baseball SA Member ID number. This action initiates a transfer alert with Baseball SA.
2. Advise their NEW Club of their Baseball SA ID number and that they have initiated the transfer.
3. Organise payment of a Transfer Voucher (see https://www.baseballsa.com.au/info-hub/player-transfers/)

If you have played with another club in the past prior to the years above, please contact me as we must do a manual transfer form before you can register to our club.

If you are a NEW Member to baseball (never played before) or returning GGCD member who did not play in 2019/20, 2020/21 or 2021/22 you need to click on REGISTER.

You will set up the name of the player or person registering as a coach or volunteer etc, parents only put their details in as an emergency contact in the database.

If you need assistance, please contact the Sharee on 0429 676 581 after 5pm weekdays and any time on weekends or email baseball@sharee.com.au with a request for assistance or you can get me on Facebook or messenger.

Please use the below link to access the portal to register for GGCD this season including our Friday night Tballers:

https://www.revolutionise.com.au/ggcd/registration/

The club has kept all club fees the same as 2021/22, Baseball SA however have increased their fees and we as a club have to pass this along.

All fees must be paid upfront again for the league and club portions, all fees below include any processing fees. If you require assistance please contact Sharee as a matter of urgency, where possible please do not leave it till the last minute.

Please note, any outstanding monies owed to the club from previous seasons must be paid before a registration for this season will be accepted.

Table with 13 columns (SEP to AUG) and 14 rows showing 2022/23 Baseball SA Age Matrix. Includes League Age and SABL Grades eligible to play.

The Board realises that some families may have difficulty in meeting their payments in full, on time, and is happy to make suitable arrangements providing that you contact the Treasurer on 0429 676 581 to discuss as soon as possible and enter into a formal payment plan. This is the only way to pay by instalments this year. All league fees must be paid in full before you start playing only club fees can be entered into a payment plan.

Yours in Baseball,

***The Board of the Golden Grove Central Districts Baseball Club Inc.***
