Currently it is asking for your primary school, please complete this as it's a mandatory field, but I feel it should only be a question for juniors, I have flagged this to the league so it may disappear in due course, but it ties to the Juniors who may be eligible for the Giants membership I feel.

After completing all the above, then click you agree to the terms and conditions and then press continue, to bring up the products screen.

For Juniors the products are mandatory and related to the age of the child, however should your child be the age of our Tball community but playing U11's please contact me as we may need to trouble shoot if it is selecting the wrong club and league fees for you.

All juniors that are in the league ages for U11 to U17's should not be a problem.

All Seniors need to select the correct club fees pertaining to your position at the club. Any women that are not playing women's league but are playing Saturday State League must ensure they are paying those fees.
