**BASEBALL REGISTRATION INFORMATION – 2024/25 SEASON**

Dear Member,

Welcome to the 2024–2025 Baseball Season.

Players, Umpires, Scorers and Club Volunteers are required to use the Baseball Australia online registration portal to pay registration fees this season.

**Please do not use old links as the links have changed again this year.**

All members must click on the relevant link below to register this year. If you have used **Game Day** for any other sporting code the system may recognise your email and require your old password and maybe need you to do a password reset.

You will set up the name of the player or person registering as a coach or volunteer etc, parents only put their details in as emergency contact in the database. If you need assistance, please contact the Sharee on 0429 676 581 after 4pm weekdays and any time on weekends or email [finance@ggcdbaseball.com.au](mailto:finance@ggcdbaseball.com.au) with a request for assistance.

Please use the correct link below to access the portal to register for GGCDBC this season for the appropriate registration for you:
